To Parents of Graduating Seniors:

Graduation is upon us!! On June 6, 2017, your son or daughter will be graduating from Gunderson.

Finding good seats at Graduation can be a challenge, but you can let the Gunderson Foundation assist you by providing premium seating at the Rose Garden. For a \$100 donation to the Foundation, you can have two seats with an unobstructed view of the Graduation ceremonies.

Premium seating is limited and is on a first come basis. If you are interested, please use the Donation Form which can be found on the Foundation page on the Gunderson Foundation website, or contact the Foundation at gundersonhighfoundation@gmail.org
