

Summer Assignment:
Spanish 2010
AP Spanish
Spanish 7/8

During the summer we will be reading “*La Casa de Los Espíritus*” by Isabel Allende.

You will need to go to your local library and check the book out. Make sure you check out the Spanish version.

You must have your book by June 14th.
On June 14th send me an email maorendain@yahoo.com.

You will have to read a chapter a week. I will be selecting vocabulary words and questions related to the book. The due date will be included with the questions.

A test will be given a week after we get back from school.

I will be checking for reading comprehension and sentence structure in the target language.

Looking forward

Happy Reading
